

A Checklist Every Exporter Should Have

by Danielle Leonard - Thursday, July 19, 2018

As a member of the National Customs Brokers & Forwarders Association of America (NCBFAA), we're sharing one of the best export checklists out there. You can trust its content, as Mohawk's own [Robert Stein](#) (Vice President, Regulatory Compliance & Quality Assurance) was on the committee that helped develop it.

What's so impressive about this checklist? Not only does it ask the right questions—Are my products on the U.S. Munitions List? Am I shipping to a destination of concern? —but it also includes links to the regulations for each item, making it easier to find the answers to these questions.

This valuable tool explains exporter—or U.S. Principal Party in Interest (USPPI)—responsibilities, includes links to the most relevant U.S. government resources, and includes a USPPI checklist on the second page.
