

# Customs User Fees to Increase

by Danielle Leonard - Wednesday, November 22, 2017

Import clients will see an increase in U.S. Customs user fees, effective January 1, 2018. These fees will be adjusted to reflect inflation. Below are three examples of the current fees and what the adjusted fees will be.

|                                           | <b>Current</b> | <b>Effective Jan 1</b> |
|-------------------------------------------|----------------|------------------------|
| <i>Minimum Merchandise Processing Fee</i> | \$25.00        | \$25.67                |
| <i>Maximum Merchandise Processing Fee</i> | \$485.00       | \$497.99               |
| <i>Informal Entry or Release</i>          | \$2.00         | \$2.05                 |
