

## Don't Miss These Tweets

by Michelle Kelley - Tuesday, July 30, 2013

Twitter lets you tap into the pulse of any topic, connecting you to the very latest and greatest. When it comes to Mohawk's line of work, there are a few twitter users that break the mold. Here's a list of twitter users you won't want to miss.

### 1. FDA [@US\\_FDA](#)

Covers the latest updates to food and drug regulations. A good example of a government agency using social media to reach out to U.S. businesses.
