

GlobalLink Gets a Facelift

by Danielle Leonard - Wednesday, November 02, 2016

New look, same product. International clients, get ready to experience a more modern and streamlined appearance with [GlobalLink's recently renovated platform](#).

Here's a look at some of the fresh features. Click the thumbnails to enlarge.

Home Screen

Shipment Dashboard

Dig deeper into shipment details with this dashboard.

Shipment View

Shipment Details

Location Matrix

PO Details

Invoice Details

Container Details

Entry View

Use the entry review to mark an entry as flagged or approved.

PO Manager

The PO Manager displays your data in graphs, which gives you a visual of your open loads and POs.

Standard Reports

Standard Reports gives you the option to export your data as a report or display it on screen.

Take a look at our [GlobalLink 3.0 Help Guide](#) for a more detailed view of the features offered. If you're interested in learning how to customize this further contact us at info@mohawkglobal.com.
