

GlobalLink - Shipment Tracking

by MrAdmin - Wednesday, September 26, 2012

Track your shipments, generate reports, and much more with GlobalLink.

[International Login](#)

[Domestic Login](#)

INTERNATIONAL

Redesigned and simplified for the ultimate ease of use, GlobalLink International has all the detail you need to track your shipments and review customs entries. Sign up today to take advantage of these features:

- Tracking from PO to POD
- View shipment details, including part and PO numbers
- Review Customs entries and flag problem entries
- Comment feature allows you to leave notes for our import staff on specific entries

DOMESTIC TMS

Unlock your domestic shipment data with GlobalLink Domestic TMS. Contact your Mohawk Global account representative to get started with:

- Real-time tracking and tracing
- Ability to view rates for established routes (*some restrictions apply*)
- Viewing and downloading POD's/delivery receipts
- Custom reports
