

## Monsoon Season in India Causes Delays

by Danielle Leonard - Wednesday, July 11, 2018

It's monsoon season in India and it is impacting the roads in and around the terminal in Mumbai. Heavy rainfall has caused congestion at port and delays for truckers, as they wait in long lines to pick up or drop off equipment.

These conditions are expected to continue over the next few days, according to [Reuters](#).

If you have any questions or want to check on any impact to your cargo, please reach out to your local Mohawk customer service representative.
