

Prepare for Delays During Chinese New Year

by Danielle Leonard - Wednesday, November 30, 2016

In anticipation of the upcoming Chinese New Year, we recommend that you book upcoming shipments to or from China as soon as possible to avoid delays in the weeks surrounding the holiday. Most businesses will be closed in mainland China from January 28 to February 2 and in Hong Kong from January 28-31 in observance of the holiday. Since vessel space tends to be tightest before and after this period, we strongly urge you to book now to avoid unnecessary delays.
