

Transpacific Carriers Call for August Rate Increase

by Michelle Kelley - Wednesday, July 25, 2012

Client Alert

Transpacific ocean carriers have announced a general rate increase, effective August 5, for containers moving from East Asia to all U.S. and Canada destinations. We've listed the increases below. All amounts are in USD.

We will continue to work with the carriers to mitigate these charges wherever possible. If you have questions about this alert, please contact your Mohawk customer representative.
