

## Update: Transpacific Carriers Delay Rate Increase

by Michelle Kelley - Monday, November 19, 2012

*Client Alert*

**Update: Carriers have delayed implementing the increases listed below until December 15.**

Transpacific ocean carriers have announced a general rate increase, effective December 15, for containers moving from Asia to all U.S. and Canada destinations. We've listed the increases below. All amounts are in USD.

We will continue to work with the carriers to mitigate these charges wherever possible. If you have questions about this alert, please contact your Mohawk customer representative.
