

Who is auditing your import entries?

Can you find your Customs records?

Is your Customs broker asking you the right questions?

At Mohawk Global, we believe Customs brokerage is about knowing the right questions to ask, so the importer isn't hit with unnecessary Customs delays, penalties, or fines. For true import compliance and peace of mind, trust the broker who asks the right questions—Mohawk Global. Contact our compliance team today to learn what your broker may be missing...
